

Announcement: Joint Exhibition at Sea Japan 2026 with IMC Co., Ltd.

(April 22–24, 2026)

We are pleased to announce that PrimeTech Consulting Services Co., Ltd. will co-exhibit with [IMC Co., Ltd.](#) at the international maritime exhibition “Sea Japan 2026,” to be held from Wednesday, April 22 to Friday, April 24, 2026, at Tokyo Big Sight.

At this exhibition, we will showcase the **ship management system “ClassNK CMAXS,”** which we provide through our long-standing partnership with IMC Co., Ltd. In addition, as a new joint initiative, we will introduce our **Shipboard Cybersecurity Consulting Services,** which complies with **IACS UR E26.**

We look forward to welcoming you to our booth.
